UNIMPORTANT WORDS

Hello, I'm Azuki Ryou.

Every time I'm writing in this 1/3, 1/4 space in the tankoban as an independent member of society (mangaka), I have to be very cautious writing the greetings but, after thinking for a few hours I can only think of the above two sentences, which I can't stand myself either. I decided to not do the impossible and decided to start with unimportant words, not cautious greetings.

Please forgive my discourtesy

Hehe!

...AN...

THE MAIN FEATURE OF THIS YEAR'S SCHOOL FESTIVAL WILL BE JULIE ON STAGE ~ONE THOUSAND ILLUSIONS~

FEATURING MAINLY CLASS 2C, PLEASE ENJOY!

Kyaa!

It's looking this way!

ANOTHER REALLY WEIRD TRANSFER STUDENT...

Not recovered yet, still has split personality

HE REALLY IS POPULAR.

I don't know him

BUT HE SHOULDN'T HAVE ANYTHING TO DO WITH THE PAST ME

BROTHER WOULD DEFINITELY REMEMBER IF WE WENT TO THE SAME SCHOOL AS SOMEONE THIS FAMOUS

Stupid
NO ONE KNOWS JULIE'S REAL NAME AND IDENTITY
IT'S BETTER THIS WAY! Full of energy
Ah—
HIS FACE IS SO SMALL. HIS LEGS ARE SO LONG~~~
♡

AREN'T YOU GOING TO HIS SIDE?
UH.
It's sorry

MY ONLY IDOL IS INOGAMI-SAN.
♡
What era is this dol from?

UNIMPORTANT WORDS

In the first volume I mentioned really silly dreams I've had before, and I received a few letters saying "You actually had such a stupid dream, what a nut!" as a compliment (?) from readers... but, a friend of mine has an even higher standard (?) than me, she had a dream that was many times sillier than mine! The dream she told me about... I'm going to call it "Meat bun granny"!

The dream can be described as completely ridiculous as well as impossibly imaginative as for the contents, since it will impact on her reputation and her life hereafter as an author, I can't publish it...

People who really want to know please go directly to my friends T-asuki & Hoshi!

UNIMPORTANT WORDS

Something I keep forgetting to write about is the beauty salon that opened a few years ago. I go there about once every 2 or 3 months, it seems to work but then it seems to not. But I really like letting beauticians paint those strange liquids on my face and the massages, because it feels good.

But... even just once, I want to see objectively what I look like during those times.

INOGAMI-SAN AND MIYAZAWA-SAN ARE GETTING ALONG WELL.

OH... CLUB ENTRY TEST AND TEA PARTY?
YEAH, EVEN THOUGH THE MORE MEMBERS THE BETTER,
THE CLUB CAPTAIN ONLY WANTS THOSE WHO ARE SERIOUS TO JOIN THE CLUB
PUTTING THAT ASIDE, IT SOUNDS LIKE FUN
VERY FEW PEOPLE KNOW THE URA CHIDORI STYLE HERE,
BUT, IT'S A REAL PITY TO CUT DOWN ON NEW MEMBERS

ARISA... WANTS TO JOIN TOO?
He found out! (What a wonder!?)
EVEN THOUGH THERE'S A CLUB ENTRY TEST, IT'S NOT THAT DIFFICULT
IF YOU'RE INTERESTED
CAN I JOIN THE CLUB !?
Because it's the Chadou Club she dressed as a teapot..

*Ura Chidori (裏千鳥). This technique is possibly made up and derived from an actual tea school, the Urasenke (裏千家). Yet the Ura Chidori could very well be a valid technique involving the use of the palm (ura) to deliver the tea. Chidori could mean "one thousand birds," so the technique Ura Chidori could roughly translate as "a thousand birds under the palm."

OF COURSE, YOU'RE VERY WELCOME TO!
THAT'S RIGHT!
IF I BECOME A CHADOU CLUB MEMBER, I CAN WATCH ERIKA!
AND I CAN BE WITH INOGAMI. ♡

UNIMPORTANT WORDS

RIBON editor Tomi-san said to me there used to be a manga called "Kumamoto Fist" in Shounen Jump. The only content we know is the main character is a master of "Kumamoto Fist". I think it's probably a comedy. This is definite. From my knowledge, Kumamoto came from the time of Kitsuke Momota, when Tomi-san mentioned that manga to me, it got me really interested. I heard that the author was Kumamoto himself, and the work became quite a legendary piece locally... but it doesn't seem to have tankoubon, so I am requesting more information here.

*Tankoubon (単行本) A compilation volume of a particular series, a graphic novel

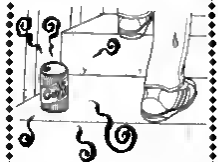
UNIMPORTANT TALK

This is a really unimportant thing... where I live now, on the stairs of the 3rd floor, there's an empty coffee can. Even now, I can't be sure if it's completely empty inside, but the problem is, from the first time I saw this coffee can, it's already been more than half a year, and it's been in the same spot for the whole time, hasn't moved a single millimeter...



Who put it there and why...? What has that got to do with me...?

<Mysterious Coffee Can ②>

'Who put it there and why?' Every time I step onto the stair of the 3rd floor, I would wonder about this question However, I never took the initiative to throw it away because of the news report "Empty Can Explosion." It was about how moving an iron can can cause an explosion. I think it's probably just me being paranoid. Someone must've forgotten about it, and accidentally left it there, but all of the other neighbors pretend to not see it as well I think everyone must be thinking the same thing, 'Why should I go throw it out?' And so, half a year has passed I wonder how long it will last

I'm not even clear on how to search... do I really know how to use it or not... people in the computer industry must be exasperated by computer illiterates like me!

(Really unimportant?)

~Sense of Seasons~

When the serialization started, the atmosphere was heavy with the scent of autumn. Without much notice, spring has arrived. I wouldn't have realized it even if it's summer now... The seasons in the manga are really strange. Christmas, Valentine's Day or new semesters, where did they go... Despite it being summer when I'm drawing this, I'm letting the characters in the manga wear jackets and drink red miso soup (well, it doesn't have to be red miso soup). It's making me feel unbearably hot. During winter, the characters inside shouldn't be wearing summer clothes or swimwear, right...? Anyway don't think too hard everyone...

EVEN THOUGH AKINA-KUN ACTS VERY COLD, HE'S ACTUALLY A VERY GOOD PERSON.
APART FROM INOGAMI-SAN, HE'S ONE OF THE FEW WHO'S ACTUALLY NICE TO ME.
OF COURSE, I FEEL LONELY NOW THAT HE'S BEEN SNATCHED AWAY BY ERIKA

BUT THAT'S NOT ALL THERE IS!

★おわびとお礼

この連載で茶道部の話を描くにあたって資料の本だけではどうも漫画に描きづらい部分が色々あったので実際に茶道教室に取材をさせていただきました。担当のまっちさんには あちこち教室もさがして許可をとってもらったり 教室の方々には時間をとらせて色々とためになる話もきかせていただいたというのに いざネームをおこして漫画になってみれば 柄杓で人をなぐるわ茶釜はふってくるわ。取材に協力して下さった方々はさぞかし あきれかえったことでしょう。でも!ちゃんと取材させてもらったからこそ あんなんでも描くことができたんですよ ホント!!

ありがとうございました。
